

2027학년도 수능 대비 모의평가

1. 다음 글의 밑줄 친 부분 중, 어법상 틀린 것은?

The hunter-gatherer lifestyle, which can ① be described as "natural" to human beings, appears to have had much to recommend it. Examination of human remains from early hunter-gatherer societies ② has suggested that our ancestors enjoyed abundant food, obtainable without excessive effort, and suffered very few diseases. If this is true, it is not clear why so many humans settled in permanent villages and developed agriculture, growing crops and domesticating animals: cultivating fields was hard work, and it was in farming villages ③ what epidemic diseases first took root. Whatever its immediate effect on the lives of humans, the development of settlements and agriculture ④ undoubtedly led to a high increase in population density. This period, known as the New Stone Age, was a major turning point in human development, ⑤ opening the way to the growth of the first towns and cities, and eventually leading to settled "civilizations."

*remains: 유적, 유해 **epidemic: 전염병의

2. 다음 글의 밑줄 친 부분 중, 어법상 틀린 것은?

Although there is usually a correct way of holding and playing musical instruments, the most important instruction to begin with is ① that they are not toys and that they must be looked after. ② Allow children time to explore ways of handling and playing the instruments for themselves before showing them. Finding different ways to produce sounds ③ are an important stage of musical exploration. Correct playing comes from the desire ④ to find the most appropriate sound quality and find the most comfortable playing position so that one can play with control over time. As instruments and music become more complex, learning appropriate playing techniques becomes ⑤ increasingly relevant.

3. 다음 글의 밑줄 친 부분 중, 어법상 틀린 것은?

Ying Liu wanted to stop his sixyearold son, Jing, from watching so much TV. He also wanted to encourage Jing to play the piano and ① to do more math. The first thing Ying did was prepare. He made a list of his son's interests. It ② was included, in addition to watching TV, playing with Legos and going to the zoo. He then suggested to his son ③ that he could trade TV time, piano time, and study time for Legos and visits to the zoo. They established a point system, ④ where he got points whenever he watched less TV. Dad and son monitored the process together. As Jing got points, he felt valued and good about ⑤ himself and spent quality time with Dad.

정답 및 해설

1. [정답] ③

[해설]

③번은 'it was ~ that ...' 강조 구문이 사용된 자리입니다. 강조하는 대상인 'in farming villages'가 장소의 부사구이고, 뒤에 완전한 문장(epidemic diseases first took root)이 오므로 what이 아닌 that을 써야 합니다.

2. [정답] ③

[해설]

③번의 주어는 동명사구 'Finding different ways to produce sounds'입니다. 동명사 주어는 단수 취급하므로, 동사는 are가 아닌 is가 되어야 합니다.

3. [정답] ②

[해설]

②번 문장에서 주어는 It(a list of his son's interests)이고, 동명사구(watching TV, playing with Legos and going to the zoo)는 목적어입니다. '목록은 ~을 포함했다'는 능동의 의미가 되어야 하므로 included가 맞습니다. was included는 수동태로 '포함되었다'는 의미인데, 뒤에 목적어가 오므로 어색합니다.
