

2027학년도 수능 대비 모의평가

1. 다음 글의 밑줄 친 부분 중, 어법상 틀린 것은?

The Internet allows information to flow more ① freely than ever before. We can communicate and share ideas in unprecedented ways. These developments are revolutionizing our selfexpression and enhancing our freedom. But there's a problem. We're heading toward a world ② where an extensive trail of information fragments about us will be forever preserved on the Internet, displayed instantly in a search result. We will be forced to live with a detailed record ③ beginning with childhood that will stay with us for life wherever we go, searchable and accessible from anywhere in the world. This data can often be of dubious reliability; it can be false; or it can be true but deeply ④ humiliated. It may be increasingly difficult to have a fresh start or a second chance. We might find ⑤ it harder to engage in selfexploration if every false step and foolish act is preserved forever in a permanent record.

2. (A), (B), (C)의 각 네모 안에서 어법에 맞는 표현으로 가장 적절한 것은?

Getting in the habit of asking questions (A) transform / transforms you into an active listener. This practice forces you to have a different inner life experience, since you will, in fact, be listening more effectively. You know that sometimes when you are supposed to be listening to someone, your mind starts to wander. All teachers know that this happens frequently with students in classes. It's what goes on inside your head that makes all the difference in how well you will convert (B) what / that you hear into something you learn. Listening is not enough. If you are constantly engaged in asking yourself questions about things you are hearing, you will find that even boring lecturers become a bit more (C) interesting / interested, because much of the interest will be coming from what you are generating rather than what the lecturer is offering. When someone else speaks, you need to be thought provoking!

*thought provoking 생각을 불러일으키는

- ① transform what interesting
- ② transform that interested
- ③ transforms what interesting
- ④ transforms that interesting
- ⑤ transforms what interested

3. 다음 글의 밑줄 친 부분 중, 어법상 틀린 것은?

Since his early childhood, Alvin was a keen model-maker. He made model cars, model railroad layouts, and model street scenes. When ① asked what he wanted to be, he would say, "I want to be a model-maker or run a store that sells model kits." Eventually, though, Alvin chose a "real" career: architecture. He was not very good at his work, nor ② did he seem to improve. The only part of his work he enjoyed was ③ made models of buildings to illustrate proposals. When a recession hit, Alvin was the first to be fired. Fortunately, one of his former employers did offer Alvin a contract ④ to take on his firm's model-making projects on a freelance basis. Now, Alvin makes models for the leading architectural firms in town. He does ⑤ what he loves, and he earns a good living.

정답 및 해설

1. [정답] ④

[해설]

④번은 감정을 유발하는 주체(it=this data)를 설명하므로 현재분사 humiliating이 와야 한다. 데이터가 굴욕감을 느끼는 것이 아니라, 굴욕감을 주는 것이기 때문이다. 과거분사 humiliated는 감정을 느끼는 주체를 수식할 때 사용된다. ① freely는 동사 flow를 수식하는 부사로 올바르다. ② where는 뒤에 완전한 절이 이어지는 관계부사로, 선행사 a world를 수식한다. ③ beginning은 a detailed record를 수식하는 현재분사이다. ⑤ it은 find 동사의 가목적어로, 진목적어는 to engage~ 이다.

2. [정답] ③

[해설]

(A) 주어는 동명사구 'Getting in the habit of asking questions'이므로 단수 동사 transforms가 와야 합니다. (B) hear의 목적어가 비어있는 불완전한 절을 이끌고 convert의 목적어 역할을 해야 하므로 선행사를 포함하는 관계대명사 what이 적절합니다. (C) boring lecturers(지루한 강연자)가 더 '흥미로워지는' 것이므로 감정을 유발하는 현재분사 interesting이 맞습니다.

3. [정답] ③

[해설]

③번이 포함된 문장에서 주어는 'The only part of his work he enjoyed'이고, 동사는 was입니다. be동사 뒤에는 보어가 와야 합니다. '그가 즐겼던 유일한 부분은 ~ 모델을 만드는 것이었다'라는 의미가 되려면 보어 자리에 동명사 making 또는 to부정사 to make가 와야 합니다. made는 과거 동사 또는 과거 분사이므로 보어로 쓰일 수 없습니다.
