

2027학년도 수능 대비 모의평가

1. 밑줄 친 make oneself public to oneself가 다음 글에서 의미하는 바로 가장 적절한 것은?

Coming of age in the 18th and 19th centuries, the personal diary became a centerpiece in the construction of a modern subjectivity, at the heart of which is the application of reason and critique to the understanding of world and self, which allowed the creation of a new kind of knowledge. Diaries were central media through which enlightened and free subjects could be constructed. They provided a space where one could write daily about her whereabouts, feelings, and thoughts. Over time and with rereading, disparate entries, events, and happenstances could be rendered into insights and narratives about the self, and allowed for the formation of subjectivity. It is in that context that the idea of "the self as both made and explored with words" emerges. Diaries were personal and private; one would write for oneself, or, in Habermas's formulation, one would make oneself public to oneself. By making the self public in a private sphere, the self also became an object for self-inspection and self-critique.

- ① use writing as a means of reflecting on oneself
- ② build one's identity by reading others' diaries
- ③ exchange feedback in the process of writing
- ④ create an alternate ego to present to others
- ⑤ develop topics for writing about selfhood

2. 다음 글의 제목으로 가장 적절한 것은? (3점)

Once an event is noticed, an onlooker must decide if it is truly an emergency. Emergencies are not always clearly (a) labeled as such; "smoke" pouring into a waiting room may be caused by fire, or it may merely indicate a leak in a steam pipe. Screams in the street may signal an attack or a family quarrel. A man lying in a doorway may be having a coronary or he may simply be sleeping off a drunk. A person trying to interpret a situation often looks at those around him to see how he should react. If everyone else is calm and indifferent, he will tend to remain so; if everyone else is reacting strongly, he is likely to become alert. This tendency is not merely blind conformity; ordinarily we derive much valuable information about new situations from how others around us behave. It's a (b) rare traveler who, in picking a roadside restaurant, chooses to stop at one where no other cars appear in the parking lot. But occasionally the reactions of others provide (c) accurate information. The studied nonchalance of patients in a dentist's waiting room is a poor indication of their inner anxiety. It is considered embarrassing to "lose your cool" in public. In a potentially acute situation, then, everyone present will appear more (d) unconcerned than he is in fact. A crowd can thus force (e) inaction on its members by implying, through its passivity, that an event is not an emergency. Any individual in such a crowd fears that he may appear a fool if he behaves as though it were.

- ① Do We Judge Independently? The Effect of Crowds
- ② Winning Strategy: How Not to Be Fooled by Others
- ③ Do Emergencies Affect the Way of Our Thinking?
- ④ Stepping Towards Harmony with Your Neighbors
- ⑤ Ways of Helping Others in Emergent Situations

3. 다음 글의 밑줄 친 부분 중, 어법상 틀린 것은?

Trends constantly suggest new opportunities for individuals to restage themselves, representing occasions for change. To understand how trends can ultimately give individuals power and freedom, one must first discuss fashion's importance as a basis for change. The most common explanation offered by my informants as to why fashion is so appealing is ①that it constitutes a kind of theatrical costumery. Clothes are part of how people present ②them to the world, and fashion locates them in the present, relative to what is happening in society and to fashion's own history. As a form of expression, fashion contains a host of ambiguities, enabling individuals to recreate the meanings ③associated with specific pieces of clothing. Fashion is among the simplest and cheapest methods of self-expression: clothes can be ④inexpensively purchased while making it easy to convey notions of wealth, intellectual stature, relaxation or environmental consciousness, even if none of these is true. Fashion can also strengthen agency in various ways, ⑤opening up space for action.

4. 다음 글의 밑줄 친 부분 중, 문맥상 낱말의 쓰임이 적절하지 않은 것은?

In recent years urban transport professionals globally have largely acquiesced to the view that automobile demand in cities needs to be managed rather than accommodated. Rising incomes inevitably lead to increases in motorization. Even without the imperative of climate change, the physical constraints of densely inhabited cities and the corresponding demands of accessibility, mobility, safety, air pollution, and urban livability all ①limit the option of expanding road networks purely to accommodate this rising demand. As a result, as cities develop and their residents become more prosperous, ②persuading people to choose not to use cars becomes an increasingly key focus of city managers and planners. Improving the quality of ③alternative options, such as walking, cycling, and public transport, is a central element of this strategy. However, the most direct approach to ④accommodating automobile demand is making motorized travel more expensive or restricting it with administrative rules. The contribution of motorized travel to climate change ⑤reinforces this imperative.

5. 다음 빈칸에 들어갈 말로 가장 적절한 것을 고르시오.

Creativity is commonly defined as the production of ideas that are both novel (original, new) and useful (appropriate, feasible). Ideas that are original but not useful are irrelevant, and ideas that are useful but not original are unremarkable. While this definition is widely used in research, an important aspect of creativity is often ignored: Generating creative ideas rarely is the final goal. Rather, to successfully solve problems or innovate requires one or a few good ideas that really work, and work better than previous approaches. This requires that people evaluate the products of their own or each other's imagination, and choose those ideas that seem promising enough to develop further, and abandon those that are unlikely to be successful. Thus, being creative _____. In fact, the ability to generate creative ideas is essentially useless if these ideas subsequently die a silent death.

- ① does not stop with idea generation
- ② rarely originates from practical ideas
- ③ is often regarded as a shortcut to innovation
- ④ frequently gives way to unanticipated success
- ⑤ brings out tension between novelty and relevancy

6. 다음 빈칸에 들어갈 말로 가장 적절한 것을 고르시오.

Precision and determinacy are a necessary requirement for all meaningful scientific debate, and progress in the sciences is, to a large extent, the ongoing process of achieving ever greater precision. But historical representation puts a premium on a proliferation of representations, hence not on the refinement of one representation but on the production of an ever more varied set of representations. Historical insight is not a matter of a continuous "narrowing down" of previous options, not of an approximation of the truth, but, on the contrary, is an "explosion" of possible points of view. It therefore aims at the unmasking of previous illusions of determinacy and precision by the production of new and alternative representations, rather than at achieving truth by a careful analysis of what was right and wrong in those previous representations. And from this perspective, the development of historical insight may indeed be regarded by the outsider as a process of creating ever more confusion, a continuous questioning of _____, rather than, as in the sciences, an ever greater approximation to the truth.

- ① criteria for evaluating historical representations
- ② certainty and precision seemingly achieved already
- ③ possibilities of alternative interpretations of an event
- ④ coexistence of multiple viewpoints in historical writing
- ⑤ correctness and reliability of historical evidence collected

정답 및 해설

1. [정답] ①

[해설]

밑줄 친 'make oneself public to oneself'는 사적인 공간인 일기(private sphere)에 자신에 대해 씬으로써, 자기 자신을 공개적인 대상처럼 객관화하여 성찰하고 비판하는 과정을 의미한다. 지문에서 일기 쓰기를 통해 자아가 '자기 점검과 자기 비판의 대상(an object for self-inspection and self-critique)'이 된다고 설명하므로, 글쓰기를 자신을 성찰하는 수단으로 사용한다는 의미가 가장 적절하다.

2. [정답] ①

[해설]

이 글은 애매한 상황에서 사람들이 주변 사람들의 반응을 보고 어떻게 행동할지 결정하는 경향이 있음을 설명한다. 특히 다른 사람들이 침착하면 자신도 그렇게 행동하게 되어, 실제 위기 상황임에도 불구하고 군중 전체가 아무 행동도 하지 않는 결과를 낼 수 있다고 말한다. 이는 우리의 판단이 독립적이지 않고 군중의 영향을 받는다는 것을 보여주므로, '우리는 독립적으로 판단하는가? 군중의 효과'라는 제목의 ①번이 가장 적절하다.

3. [정답] ②

[해설]

②번 문장에서 동사 'present'의 주체는 'people'이고, 제시하는 대상 또한 자기 자신이므로 목적어는 주어와 동일한 대상을 가리키는 재귀대명사 'themselves'가 와야 한다. 'present them'은 '사람들이 (다른) 그들을 제시한다'는 의미가 되어 문맥상 어색하다.

4. [정답] ④

[해설]

이 글은 도시의 자동차 수요는 수용(accommodate)하는 것이 아니라 관리(manage)되어야 한다는 관점을 설명한다. ④번 문장은 자동차 수요에 대한 가장 직접적인 접근법으로 자동차 여행을 더 비싸게 만들거나 행정 규칙으로 제한하는 것을 예로 들고 있다. 이러한 방법들은 수요를 '수용하는(accommodating)' 것이 아니라 '관리하거나 억제하는(managing or curbing)' 것이므로, 'accommodating'은 문맥상 적절하지 않다.

5. [정답] ①

[해설]

필자는 창의성이 단순히 새로운 아이디어를 생성하는 것('Generating creative ideas')이 최종 목표가 아니라고 말한다. 오히려 생성된 아이디어를 평가하고, 선택하고, 발전시키는 과정이 필요하다고 강조한다. 따라서 창의적이라는 것은 '아이디어 생성에서 멈추지 않는다'는 결론이 가장 타당하다.

6. [정답] ②

[해설]

이 글은 과학과 역사를 대조한다. 과학은 정확성을 향한 '수렴' 과정인 반면, 역사적 통찰은 다양한 관점의 '폭발'이며, 이전의 결정성과 정확성에 대한 환상을 폭로하는(unmasking of previous illusions of determinacy and precision) 과정이라고 설명한다. 따라서 외부인의 관점에서 역사학의 발전은 진리에 근접하는 것이 아니라, '이미 달성된 것처럼 보이는 확실성과 정확성(certainty and precision seemingly achieved already)'에 대해 끊임없이 의문을 제기하는 과정으로 보일 수 있다.
